## Section V: Implementing Policies and Guidelines

Providing the annual road map for overall development of MUSOM academic culture, annual plan of action is a focused day-to-day operational key. MUSOM Governing Council, Management Council and functional committees will be fully responsible for implementing the activities pointed out in the strategic plan. All concerned stakeholders will be requested to help in implementing the plan of action. On the basis of requirements, the plan will be divided into the different phases.

Plan of Action is being prepared to execute strategic plan effectively.

The plan will be instrumental tool for enhancing and improving the MUSOM academic culture as under:

Sound Teaching-learning Environment  
Collaboration  
Scholarship  
Social networking  
Digitization  
Research, innovation, entrepreneurship and publication  
Exam conduction and faculty development  
All MUSOM activities and works

### Desired Outputs after One Year

After implementation of the plan, MUSOM will be like as follow:

- Stepping towards Center of Excellence for quality higher management education
- Digitization of administration, infrastructure, teaching-learning, research and publication
- Trained faculty members
- Need based research and publication
- Implementation of Mid-West University Autonomy Bylaws-2075
- Strong collaborative Networking

### Monitoring and Evaluation

MUSOM management council will monitor and evaluate implementation of the plan. Different committees and individuals will be responsible for preparing report and evaluation of activities done. Mid-West University Executive council and MUSOM Governing Council will evaluate the outcomes of the plan.
